

MAHAMED-AAMIN MUHUMED

London, England BR3 1BH, United Kingdom | mahamedmuhumed9100@gmail.com

PROFILE

First-year Computer Science student at the University of Greenwich with a T-Level (Merit) in Digital Production, Design and Development and over two years of experience in fast-paced customer-facing and office-based roles. Skilled in programming fundamentals, data handling, and digital systems, with hands-on exposure to AI-focused projects through an industry placement. Reliable, adaptable, and quick to learn, with strong communication and problem-solving skills. Seeking a part-time role in software development or a related technical field that builds on this foundation and supports my growth toward becoming a software engineer.

TECHNICAL SKILLS

Programming & Development: C#, Python, HTML, CSS, JavaScript, SQL, React, ASP.NET MVC

Data Handling & Analysis: Excel, Access, spreadsheets, databases

Version Control: Git & GitHub for project management and collaboration

Other: Software testing & debugging basics, documentation, AI/data ethics awareness, UI/UX & accessibility principles

EXPERIENCE

Crew Member, McDonald's | 2024 – Present

- Delivered consistent customer service in a fast-paced environment while maintaining cleanliness and safety standards.
- Worked collaboratively with team members to keep service running smoothly and adapt to changing priorities.
- Supported efficient task completion with a reliable, detail-oriented approach and a focus on quality.

Placement — AI & Technology Team, Pilot Generative AI | Dec 2025 – Jun 2026 | Chatham

- Supported a fast-paced AI and technology team with document organisation, email management, and data entry.
- Assisted with website content updates and digital record maintenance, keeping information accurate and current.
- Adapted quickly to new digital tools and workflows, strengthening communication and problem-solving skills.

Office Junior, Forward & Yussuf Solicitors | Feb 2024 – Mar 2024 | London

- Assisted with administrative and IT-related tasks, including document handling and data entry.
- Followed health, safety, and hygiene procedures consistently in an office environment.
- Communicated professionally with colleagues and managed time effectively to complete tasks on schedule.

EDUCATION

BSc Computer Science (First Year) | University of Greenwich | 2026 – Present

T-Level in Digital Production, Design and Development — Merit | London South East Colleges, Bromley | 2024 – 2026

- Built practical projects using Python, C#, SQL, React, and ASP.NET MVC.
- Completed an industry placement with Pilot Generative AI, gaining hands-on experience in AI, software development, and data handling.

GCSEs (Grades 5–9 across 8 subjects) | Harris Academy Beckenham | 2021 – 2023

- Including English Language & Literature (6), Mathematics (5), Combined Science (6,5), Information Technology (Merit), Business Studies (5).
